## Presley Named As Extension Farm Agent In Coffee County

Dan Presley, a member of the Auburn University Extension Service staff in Tallapoosa County for the past 2-1/2 years, has assumed new duties in Coffee County as Extension farm agent.

Announcement of the move, effective June 1, was made in Auburn recently by Doctor Fred R. Robertson, Extension Service director.

Presley, a native of Covington County and a graduate of Opp High School, will work primarily with Extension's boys 4-H program in Coffee County.

He is the son of Mrs. C. V. Presley, Sr. and the late Mr. Presley, of Opp, and was reared on a dairy farm. As a student at Opp High, he was president of the Future Farmers of America, president of his Senior Class, member of the Beta Club, a senior favorite, and was selected as an all-state football player in 1953.

He entered Auburn University in 1954 on an athletic scholarship. While at Auburn, he was on the dean's honor roll for five quarters, won the William H. Danforth Fellowship Award (1957), and held membership in the Alpha Zeta honorary fraternity, the national Block and Bridge Club and the Auburn "A" Club.

Presley was a starting tackle on Auburn's 1957 national champion football team and was winner of the Bill Streit Scholarship trophy that same year.

He received his B.S. degree in animal husbandry and nutrition in 1958. After graduation, he started his own milk distributing firm in Andalusia and operated that business for five years before joining the Extension Service.

Stationed in Dadeville as a farm agent on the Tallapoosa Extension staff, Presley worked both with adults and youth.

He is currently working toward a Master of Agriculture degree from Auburn University.

Presley is married to the former Pat Corney, daughter of Mr. and Mrs. O. O. Corney, of Opp. They have one son, Phillip Odell, 6. The Presleys, members of the Church of Christ, will make their home in Enterprise.

## Summer Recreation Discussed

The Recreation Board has released the schedules for the summer recreation program and there seems to be a full program to interest all the youngsters.

The gym will be open Monday thru Friday, from 10 A.M. until 4 P.M. Those interested in beginning swimming lessons should register with Coach Roland Powell June 13 at 9:00 A.M. at the Recreation Hall. To be eligible for these lessons a boy or girl must have been enrolled in the first three grades of Elba Elementary School during the 1965-66 school year and must be a non-swimmer.

The baseball schedules have been arranged and the first games will be held on June 9th with the Yanks vs. the Pirates and Cards vs. the Tigers. On the 13th the Yanks vs. the Cards and the Pirates vs. the Tigers. The first game is at 6 o'clock and the second at 7:20 on each Monday and Thursday night.

The Pee Wee League has two teams of nine-year olds and their schedule will be announced when managers are secured.

The Pony League also has two teams and will begin playing June 14th. Plans are to schedule some out of town games for these boys each week.

Joe Martin was named to manage the Pony League Giants after the article on page 8 had been composed.

Some 35 electrical appliances, including two modern electric ranges, will be awarded as attendance prizes. In addition, each Co-op member registering at the meeting will receive a 150-Watt light bulb free.

Concession stands at the Andalusia Municipal Stadium will be operated by the Covington County Shrine Club, for the convenience of those attending the meeting.

Covington Electric serves over 10,200 consumers in Covington, Coffee, Crenshaw, and Geneva Counties.

On June 3, the U.S. Army will celebrate its 24th anniversary of Army Aviation with a gala family picnic at Fort Rucker's Lake Tholoco.

Featured events will be a professional water skiing show and sport parachute jumping. Pony, canoe and boat rides will be available for the children. Clowns also will be present to provide laughs for everyone.

Food and drinks will be served from 1:30 to 3 p.m. The skiing and parachute performance will take place from 3 to 5 p.m. The public is invited.

## Covington Electric Meeting Set For July 2

The 1966 annual members' meeting of Covington Electric Cooperative will be held on Saturday night, July 2, at the Municipal Stadium in Andalusia. Co-op officials announced this week.

Registration of members will begin at 5:00 p.m., with the entertainment program starting at 6:00, and the business session at 7:00 p.m.

An attendance of some 4,000 persons is expected. Featured speaker for the meeting will be Walter Harrison, General Manager of the Georgia Association of Electric Cooperatives. A former President of the National Rural Electric Cooperative Association, Harrison also publishes a weekly newspaper in Millen, Georgia.

Entertainment will be provided by the Segs Brothers & Naomi, family gospel-singing group of Macon, Georgia, who will be playing a return engagement after making such a big hit at the 1965 members' meeting.

During the business session, Covington Electric members will receive reports on operations of the Cooperative, and elect two members to three-year terms on the Board of Trustees.

Some 35 electrical appliances, including two modern electric ranges, will be awarded as attendance prizes. In addition, each Co-op member registering at the meeting will receive a 150-Watt light bulb free.

Concession stands at the Andalusia Municipal Stadium will be operated by the Covington County Shrine Club, for the convenience of those attending the meeting.

I WAS ONLY particularly interested in one of the races in the run-off election Tuesday and that was Agnes Baggett. I had favored Mrs. Baggett a little from the beginning but not to the extent to really scrap about until the television appearance of Betty Frink and Agnes Baggett as guests of

WFAA television, Montgomery. Betty Frink was so snooty, so catty and did so much "biting" "Toward Agnes Baggett that I definitely made up my mind as to how I would vote.

Another candidate that was ruined, or I should say actually defeated by a television appearance, was Mary Grice. She

### Diseases Transmitted Between Animals & Man

Anthropozoonoses is a mouthful of a word that becomes simple when broken down. Anthro - is a combining form denoting relationship to man, and zoonosis is disease in animals. Hence, anthropozoonoses are diseases transmitted between animals and man. In medical nomenclature, the word zoonoses refers to such diseases.

Zoonosis has worldwide importance and the World Health Organization has established in Argentina a Pan - American Zoonoses Center to coordinate the work of investigators in different parts of the world studying the problem of diseases transmissible. There are eighty-three diseases of

has at times afflicted humans throughout the country, having been spread by imported sick psittacine birds such as parrots and parakeets. Nowadays, parrots and parakeets of the domestic breed are said to be free of psittacosis. Brucellosis, also called undulant fever, is a disease of animals which occurs in humans who work with infected animals, handle infected meat, or use raw milk from infected cows or goats. Anthrax is a somewhat rare disease transmitted from animals to those who handle hides, hair, bristles, and wool. Medical men are learning to know the zoonoses and how to protect man and animals against the transmissible diseases.

JUNE, 1966

### YOU CAN REDUCE HEART ATTACK RISKS.

The American Heart Association reported scientific evidence indicates that, if certain precautions are followed, there may be less chance of a coronary.

### AVOID HIGH CHOLESTEROL LEVELS.

It forms a sort of rust within arteries. Large quantities of cholesterol are found in egg yolks, shellfish, liver, kidneys, and the saturated fat in meat, butter, cream and whole milk. Eat them sparingly.

### DON'T BECOME OVERWEIGHT.

Middle-aged men, 30% or more overweight, have twice as many heart attacks than men of normal weight.

### DON'T SMOKE TOO MANY CIGARETTES.

Heavy cigarette smokers suffer two to three times as many heart attacks than nonsmokers. Pipe smokers, cigar smokers or former cigarette smokers.

### BE SURE AND GET REGULAR EXERCISE.

Studies show that with no exercise there are increased chances of heart problems.

### HIGH BLOOD PRESSURE MUST BE TREATED.

If you have high blood pressure don't worry. We have many drugs which can now usually control it.

### GUARD AGAINST DIABETES.

If the diagnosis and treatment are not early, often a rise in cholesterol and arterial disease occurs.

### HAVE A YEARLY PHYSICAL CHECK-UP.

Don't make drastic diet changes without consulting a Doctor. Follow suggestions. If medication is needed we can fill any prescription.

## THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For the sake of his community and nation. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Jimmy was so fascinated by his new goldfish that he thought he'd forgotten about the other one. Then, suddenly, he looked up and asked, "Mommy, will this one die too?"

I tried, as gently as I could, to tell him that, in time, all things die. And as I did so, I realized how valuable it is for a child to have even the loss of one — a child begins to learn a great deal about life, in a natural and understandable way.

But I warned myself, it is important to realize that he is learning only the *visual*, material part of the lesson. In order to understand what he is seeing, and what he is feeling, he must be taught its spiritual meaning. This is why religious education is so important. That is why Jimmy attends church with us . . . and he'll start church school, next fall.

ance under the Social Security Act, according to Harry N. Scott, Social Security District Manager in Dothan. The next large mailing of the red, white, and blue cards will be early in June.

Cards for people who did not sign up for the voluntary medical insurance part of the program—which requires a monthly premium payment of \$3—will first be mailed in June. This mailing was delayed since many among the 1,000,000 people who did not enroll for medical benefits initially since changed their decisions, and Congress extended the enrollment period to May 31.

Mr. Scott warned that some older people may not receive cards before the health insurance program starts in July because they have not yet provided necessary evidence of age or other information needed to put them on the medicare rolls. He urged any persons 65 or older who have not supplied the necessary information requested by their social security office to do so promptly. The social security district office will be glad to help anyone having difficulty in obtaining the requested information.

## State Highway Department Mows "Lawn"

Spring means grass cutting to every home owner the Alabama Highway Department is not an exception.

A homeowner "tackles" one backyard without lawnmower. The Highway Department tackles 9,842 miles of grass—equal to more than two million backyards.

Every Alabama county is within one of the eight Highway Department divisions. Each division works independently to keep its roads "well dressed" as well as safe and efficient.

Weeds and grass are more than a summertime problem. In the fall each year chemicals to retard or control growth are spread all over the shoulders of roads. Early spring means scraping and clearing. The sun brings out the mowing machines; and to the maintenance crews, as to the homeowner, the seemingly endless chore has begun.
